NOTICE TO BIDDERS

The Roscommon County Road Commission will receive sealed bids until 2:00 p.m. on June 13, 2024. Bids will be opened for tabulation and review at the Roscommon County Road Commission's regularly scheduled board meeting on June 13, 2024 beginning at 7:00 p.m. Our office is located at 820 E. West Branch Road, Prudenville, MI 48651.

PAVEMENT MARKING, SPECIALTY MARKINGS AND THERMOPLASTIC SNOWMOBILE CROSSINGS

For any questions or to request bid specifications, please contact the Roscommon County Road Commission at the above address, by calling (989)-366-0333 ext 1007 or email dahlstromb@roscommoncrc.com.

Submit bids in sealed envelope that is clearly marked with the words **"2024 & 2025 PAVEMENT MARKING"** in the lower left corner.

The Roscommon County Road Commission reserves the right to reject any or all bids, to waive irregularities in any bid, to waive details in the specifications, and to accept the bid deemed to be in the best interest of Roscommon County. This is a **Two Year** bid. Bids may be extended for additional years with mutual agreement.

The Roscommon County Road Commission has adopted a Local Contractor Preference Policy. Visit 'Adopted Policies' at www.roscommoncrc.com for details and application form.

The Roscommon County Road Commission reserves the right to add or delete pavement marking segments or parts thereof at any time. Location maps will be available for pickup upon request.

ROSCOMMON COUNTY ROAD COMMISSION

Specifications for Pavement Marking

Description: Furnish and install retroreflective permanent pavement markings according to the Michigan Manual of Uniform Traffic Control Devices. All markings, shapes, spacing and dimensions shall conform to the MDOT Pavement Marking Typical Plans unless specifically noted herein.

Supervision: All work shall be performed under the supervision of the Roscommon County Road Commission.

Construction & Materials: All Construction and Materials must meet the requirements of the MDOT (Michigan Department of Transportation) 2020 Standard Specifications for Construction, MDOT Special Provisions, and RCRC Special Provision.

Maintaining Traffic and Safety: The contractor shall be responsible for maintaining traffic and shall protect painted lines until dry or cured to a no-pickup condition. All safety features and equipment required by law shall be maintained in good working condition by the contractor.

Insurance: Bidder shall provide Certificate of Insurance prior to commencing work. Certificate shall include: 1) Board of County Road Commissioners and Roscommon County Road Commission named as additional insured to all coverage, 2) General Liability \$1,000,000 each occurrence, 3) Automotive Liability-\$1,000,000 each occurrence, and 4) Worker's compensation - statutory limits.

Method of Payment: All paint, beads, and application, whether intermittent or solid, shall be measured and paid for as feet, square feet or each as marked. Contractor shall fill out the blank columns on the attached pavement marking list when submitting for payment. Segments on the pavement marking list must be painted in their entirety prior to submitting for payment.

Quantity: The bid sheet reflects the RCRC's best estimate of the required amount of work at this time. The Roscommon County Road Commission reserves the right to add or delete quantities from the bid, deemed to be in the best interest of the Roscommon County Road Commission.
